## **ABOUT TNDWWT**

TNDWWT in Tamil Nadu is a non-governmental organisation that has been working for over three decades to support and organize groups of Domestic workers and developing leadership among the domestic workers. They have grown in experience, knowledge and number. TNDWWT has built a strong network with other Civil Society Organisations, Government departments, trade unions and other stakeholders like the National Platform for Domestic Workers, Workers' Charter, and unorganized workers Federation to achieve the rights of the domestic worker. Reaching out to policy makers and civil servants is at the core of their activities, which has led to positive relationships with both State and National Labour minister, the Labour secretary and the Labour commissioner. TNDWWT also networks at the International level with International Labour Organization (ILO), GAATW Global Alliance against trafficking of women, Migrant Forum in Asia and IDWN (International Domestic Workers Network).

## **MISSION**

To create platform in the society for less privileged children and provide them with opportunities to learn about their rights and empower them, to strengthen their capacities and thus enhance their skills, especially in their academic studies and work with stakeholders to promote child participation as a way of life, in all the matters concerning them and provide sustainable childhood.

## **VISION**

A world in which every child enjoys his/her right to survival, education, development, protection and participation.

## **INTRODUCTION:**

During the reporting period Tamil Nadu Domestic Workers Welfare Trust (TDWWT) completed its race with great passion, dedication and unfettered commitment. It has reached its goal in empowering lives of many domestic workers, and children of domestic workers by, creating opportunities for the upliftment of their livelihood, building their ability to embrace opportunities and to understand themselves with self confidence to get prosperity in their life socially and economically. "Teach a man to fish rather than give him the fish" keeping this in mind we created a platform for all the people who are in need of it.

## **LEARNING CENTRES-A CHILD FRIENDLY SPACE FOR YOUNG MINDS TO BLOSSOM**

TNDWWT is maintaining 19 learning centres with their sincere efforts. Around 619 children are getting benefits to nurture their future, and to mould themselves to stand with self confidence and to come out with their hidden peculiar talents.

Each study centre is capable of accommodating 35 students. Children from fourth standard to 12th standard are eligible for admission. The centre functions between .6-8 p.m. The children express the subjects they need to study that learning centre i.e., the homework for the day. And the teacher support the children by clarifying doubts, tutoring on concepts, and monitoring the level of comprehension through snap tests, quiz etc. The teacher also identifies students who require additional attention and support to cope up with the studies. The assessment is made on the basis of their performance in school exams, feedback from school teacher's feedback from parents, the child's ability to comprehend the concepts and the regularity and interest he exhibits in attending the tuition centre. Such students are provided special attention and peer assistants are assigned to support them.

Apart from academics the children's all round personality is moulded through various activities. Commemorative events are organized and children are given a platform to enhance their organizational and soft skills. On such occasions competitions are also conducted. And on a continuous basis they are inculcated with positive attitude, good values, etiquette and good manners. Imparting Life skills is an important component of the process. The teachers are oriented on the topic and the assessment process. Each month every child is assessed and appropriate intervention is carried out. The children are also members of Child Rights Movements (CRM) and carry out many activities. New teachers and new children joined the study centre this year. Children were engaged many social activities, games, competitions and etc. to make children more sportive and courageous in participating and growing forward along with their regular studies. The children also got an opportunity to participate in various training programmes are life skills, Capacity Building, Self Defence and Menstrual Hygiene. The children also got an excellent opportunity to express their talents during the Day of Hope (2020) celebration. Children made projects, charts, performed dance etc. It was great opportunity to show their talents creativity and imagination

### **Key Activities in Learning Centre:**

## INTERNATIONAL YOUTH DAY:

### “Transforming Education Towards Non- Gender Discriminatory Education”

Tamil Nadu Domestic workers organized a semi cultural event in Government arts and science college Perumbakkam to commemorate International Youth day and also to encourage “Transforming Educational Practice” in institution to achieve greatness in every individual and to become a productive member of this society, Perumbakkam is a relocation site with evicted people from Chennai city and institution which impart knowledge in Perumbakkam is not fully equipped with needs which can encourage and motivate learning, it is always in the hands of the teachers and other staffs to bring forth decision making towards arising problems in education system, to bring democratic practise in education system; were students will become a part of decision making was one of the aim of this cultural event on International youth day

NDWM organised and supported by Actionaid India conducted a semi cultural event in Government arts and Science College Perumbakkam to promote “Transforming Education” on August 15 on the 75<sup>th</sup> Independence Day. The main objective is to learn about non gender discriminatory practise through “Transforming Educational Practice” in education Institution. The chief guest for the day was Dr. Rosy Fernando centre for Excellence- retail from SHASUN Jain College, Sr. Shaya Theresa from Stella Maris college, Mr. Saleth from Labour Net, Ms. Esther MariyaSelvam Regional Manager from Actionaid and Sr.Valarmathi state coordinator NDWM participated and shared their valuable inputs regarding transforming educational practice to bring forth the non gender discriminatory practice in educational institute

Around 250 students participate in the program along with it students expressed their creative side through various competition that was hosted during the program, students involvement was showed brightly in art competition, debate, poetry and in composition competition later the prize winners were awarded prize during Young Urban Women Meeting a state level

campaign on 24<sup>th</sup> august in the presence of Mr. Aravind Ramesh Legislative Member of the Assembly sholinganallur.

### **Forum for Young Urban Women:**

To inaugurate a platform for the young urban women in Perumbakkam (Resettlement area), NDWM organized a state level campaign for young urban women supported by Actionaid India, the main purpose of this campaign is to build a strong Young Urban Women Forum in Perumbakkam resettlement area to raise their voice in union to stop injustice which is

happening to them, after relocation Young urban women in Perumbakkam is facing a lot of disturbance in their day to day life, because of the relocation men have lost their habituated jobs, children's have lost a better education system . Employment for women domestic workers are largely affected due to the eviction crisis and they also face crisis with the infrastructure provided by the government.

The main objective of this program is to present the difficulties of YUW in Perumbakkam in front of the Member of their legislative assembly Mr. Aravind Ramesh and for special speaker we brought forth Mr. Christudos Gandhi retired IAS officer to share is knowledge on how to utilize the opportunities in government to create a better life from them.

Around 250 YUW women participated ranging from the age group of 16 to 29 few highlight from the program is that we had leaders within the age group of 15-20, 20-25 and 25-29 represent the issues they face in relocation site , at the end of the session Mr.Arvind Ramesh- MLA spoke that he will take action to bring forth the needs of YUW in Perumbakkam, the needs were mostly based on Gender Responsive Public Service towards YUW and Job Opportunity for men and women in the community and quality education for their children.

### **Post and Auto Campaign:**

The main objective of this campaign from NDWM and Actionaid is to educate Young Urban women in Perumbakkam to grow in knowledge “to help them help themselves” and to create an safe environment with the availing rights for their sustainability, one of the main reason

for this post campaign is to help these Young Urban Women to understand the importance of social security code and ILO for Domestic Workers, C190

The main reason for us to mainstream this social security code and ILO for Domestic Workers and C190 is to stop gender based violence in work place because most of the young urban women in Perumbakkam are workers from unorganised sector if the current social security code is passed into action these unorganized sector workers will be taken away from most of the benefits from the government, social security code based on the 4<sup>th</sup> Draft they are trying to bring all the unorganized sector into one labour sector which is leading in cancelling of ESI, PF , Gratuity and Maternity leave for Women Workers which is a severe threat and which will

create and imbalance in the ecosystem leading the poor to become more poor, The ILO C190 is a bill which is appreciated by India in ILO convention in Geneva but it is not still passed in India , this bill will help in developing a better environment for domestic workers around 200 domestic workers and YUW participated to express their solidarity for ILO for Domestic Workers C190 and to stop gender based violence

In this campaign around 200 women participated and showed their solidarity, the purpose of this campaign was explained by Ms. Vijilaya and Mr. Moorthy from Actionaid, they both explained about how social security code can take away their benefits from government and importance of safety in work place about C190 after the campaign all the women participated in writing their post card and posting them.

### **State Level Campaigns:**

Women in Perumbakkam face lot of violence in day to day life, them being the pillar of strength and support they often become tired because of the situation in Perumbakkam in terms of harassment, this session was organized by TNDWWT and supported by Actionaid, this platform was created for a session with one stop solution centre and active division from women and child welfare board Tamil Nadu, their main objective is to give care and guidance and solution for women who are victims of domestic violence, sexual harassment and many more.

The speaker for the session is Ms. Malathi from one stop solution centre, she gave a introduction about her organization and what all it does in terms of helping women in crisis, OSC provide free legal service, short stay home, counselling, ambulance service, police protection for women in distress the session was conducted in an interactive manner and she spoke about how being an Young Urban Women they can help themselves and their friend in need of help, also she spoke that women has to first come out of their submissive self and come reach for help and said that violence is violence from anybody even if it is from our own family members, and importantly mothers should first teach their children what is safe and unsafe touch and if their children complain to them about uncomfortable experience mothers should react soon and not blame the child for the act, if a parent is going to blame the child for such event saying “what were you doing” or “why did you go out in late hours” or any other reason it will make the child fell that they are the reason for such cause and will not come to parents to explain such danger which will actually become safe for the perpetuator to abuse more, and winded up the session by sharing their 24/7 emergency contact number which is 181 and 22233355 in this session around 40 members participated and were benefited

### **“SAY NO TO SEXUAL HARASSMENT AND BE DIGITALLY SAFE”**
